Extracurricular:

- **Special Awards and Recognitions:**

- Our Robotics team participated in The Maryland Tech Invitational from July 31st - August 1st. This is the largest off-season FTC tournament that brings together FTC teams from around the world. The Pi Rho Eagles finished in the Top 10. The team was also a runner-up for the software award. We are very proud of the Robotics team's accomplishments.
- The Archery team did very well at Nationals this year. Our high school team placed 10th at Nationals, Middle School placed third, and Elementary placed third as well. These students as well as their coaches were recognized at the Athletic Kick-Off event on July 29th. Attendance for this event was great and we are very proud of Mr. Gosey and all he did to start this athletic season with excitement! We can't wait to see what athletics holds for PCA this season!

- **Senior Activities**

- Looking to the future, I would like to begin an Alumni program that would perhaps be able to develop into an extension of PCA. We will now have two classes of students who have graduated and I would like to see our graduates involved in the school environment past graduation. This is very much in a developmental phase, but I am interested in any feedback or suggestions to help make this a successful program for the future of Pinnacle. My initial thoughts would be to include the past classes in the Homecoming event in the fall and another event (possibly senior week or Dr. Suess week) for the spring. I am in the process of collecting contact information for all of our graduates.
- On the first day of school, the seniors will be invited to have breakfast in the upstairs media center. We want them to know we are excited about this school year and can't wait to celebrate with them throughout the year.
- The scholarship committee met over the summer and has already started making contacts for the senior class to increase the amount of local scholarship money offered for the 2021-22 school year. If you know of anyone who would be interested in contributing please let me know and I will be happy to reach out to them. Our goal for local scholarship money this year is \$30,000.

Board Notes:

Pinnacle Classical Academy

Athletic Department

Prepared By:

Mr. Brandon Gosey

PCA Athletic Director

Date: 8/1/2021

- **Physicals:** Pinnacle Classical Academy recently offered free physicals for all students on our high school campus. Dr. & Mrs. Lowry offered their services free to our families. The event was held on July 14th from 1:00 – 5:00. We had about 25 students attend. A special thanks to both of them for offering their assistance. Dr. Lowry shared that he would be willing to return in the future if we needed him again.
- **Athletic Kick-Off:** This past Thursday, we held our 2021-2022 Athletic Kick-Off. The event was well received and attended. The Athletic Department was able to highlight our excitement for the upcoming school year, introduce our current coaching staff, build relationships with our families and community members, and celebrate the achievements of our Nationally Decorated Archery Team. PCA presented both Coach Tongel, and all Thunderbird members, with the newly established “Pinnacle Award for Excellence in Athletics.” We will continue to use this award to recognize athletic teams or individuals that complete their season as (Runner-Up or higher) at the conference level during their specific sports seasons.
- **Volleyball:** We have kicked off our fall season with excitement and expedience. Our volleyball team has been practicing for several weeks. Coach Burleson is doing a wonderful job and our students and PCA families love her. If you would like to learn more about Coach Burleson, please check out our “Coaches Spotlight” segment on our Pinnacle Classical Academy Facebook page. We recently ordered our volleyball uniforms and we are eagerly awaiting our first game of the 2021-2022 school year. I have attached our Volleyball schedule for Board members below. Please note, these dates are subject to change as many schools in our conference continue to try and field their team.

 [2021 Fall VBALL Game Schedule](#)

- **Cross Country:** PCA is excited to offer a Cross Country for any rising 7th – 12th grader this school year. Currently, our Athletic Conference does not offer a Junior Varsity team like most sports (6th graders). We are delighted to have Mr. Matthew Sadler coaching this team. Coach Sadler brings a great deal of knowledge, professionalism and maturity to the sport. I had the pleasure of attending their practice this past Saturday which was well received by our student body. Due to limited participation within our conference, we are actively searching for additional meets for our athletes to attend. Contact has been made with TJCA and surrounding schools as we explore additional races. Currently, we have pre-conference and conference meets scheduled. Those dates are shared with you below. Please check out our Pinnacle

Classical Academy Athletics Facebook page for our “Coaches Spotlight” highlighting Mr. Matthew Sadler.

- 9/28/2021 - Pre-Conference/Invitational @ Veritas
- 10/5/2021 - Conference Meet @ Veritas

- **Soccer:** Historically, we have had a difficult time finding a Coaching staff member for our Men’s Soccer team. As of July 31st, we were still actively looking for a Men’s Soccer Coach. I am happy to announce that Mr. Trasy Snow, his brother-in-law, and Mr. Scott Abernathy, have teamed up and agreed to coach and support each other this season. Mr. Snow is currently on vacation but plans to complete his background check for PCA as soon as he returns. This process will also be completed by the others assisting. PCA has a strong interest in Men’s Soccer and we are excited and thankful for the assistance and support from Mr. Snow and the others. If asked, we will hold a Parent/Athlete interest meeting on 8/9/21 @ 6:00 pm (Lyceum). Time is of the essence and we plan to move swiftly to get a team on the field.

- **NCHSAA:** While our Athletic Department continues to explore opportunities available to us, we have placed our application to the NCHSAA on hold for the time being. The reason for this is a new version of HB 91, which would replace the NCHSAA in 2022-23. I have included a brief overview of the proposed legislation with you below:

Three NC Senators took aim at the NC High School Athletics Association (NCHSAA) recently by introducing a new version of House Bill 91, which would replace the NCHSAA in 2022-23 with a new 17-member Commission to regulate interscholastic sports across the state. The bill, now entitled “Accountability and Fair Play in Athletics,” was discussed first in the Senate Education Committee on Tuesday afternoon. This version of the bill included provisions that would establish the transition process and timeline for athletics oversight, allow homeschool students to participate in public school sports, forbid the new Commission from collecting “penalty” fees from schools, forbid private schools from competing against public schools in playoff games, and other changes. After Tuesday’s meeting, the NC Association of School Administrators (NCASA) and other education groups relayed concerns about the bill’s mandate allowing homeschool student participation on public school sports teams. As a result, the bill sponsors revised the bill in a Wednesday meeting of the Education Committee to change the homeschooler participation mandate into a study, to be conducted by the new athletics Commission by April 1, 2022.

The bill was further amended in the Senate Finance Committee today to expand that study to also include students enrolled at cooperative innovative high schools. The amendment also completely removed Part III of the bill, which would have authorized the use of Needs-Based Public School Capital Fund grants for athletic facilities. The bill sponsors – Sens. Todd Johnson (R-Union), Tom McInnis (R-Richmond), and Vickie Sawyer (R-Iredell) – noted these grants and related funds would instead be addressed in the state budget package, expected to be released by the House in mid-August. As the bill made progress through various committees this week, bill sponsors repeatedly shared their goal of ensuring the new Commission focused more on providing support directly to participating athletes and schools, and less on collecting fees from member schools and urging them to use preferred vendors for athletic goods and services. The bill now heads to the Senate Rules Committee, likely next week, before a full vote on the Senate floor and then will face a concurrence vote by the NC House on whether to accept this Senate proposal.
