TITLE I PARENT AND FAMILY ENGAGEMENT POLICY

Pinnacle Classical Academy (“PCA”) recognizes the value of family engagement in a child’s academic success and believes that the education of children is an ongoing cooperative partnership between the home and the school. Parents and other family members are their children’s first teachers; therefore, the continued involvement of parents and family members in the educational process is most important in fostering and improving educational achievement. School system officials shall strive to support parents and provide parents and family members with meaningful opportunities to become involved in the programs offered.

PCA encourages parents and family members to participate in the design and implementation of the programs and activities in order to increase the effectiveness of the school system’s Title I program in helping students meet state and local achievement standards.

Parents will be notified of the policy in an understandable and clear format and, if necessary, provided in a language the parents can understand. The Parent & Family Engagement Policy will be distributed to all parents of participating Title I students in September/October of each school year. This policy will also be placed on the school's website, made available to the local community and updated periodically to meet the changing needs of parents and the school.
