Title I Plan for PCA

Our school participates in a Title I Schoolwide Program.

- Schoolwide programs have flexibility in using their Title I funds in conjunction with other funds in the school in order to enhance instruction.

- School-wide programs must conduct a comprehensive needs assessment, identify and commit to specific goals and strategies that address those needs, create a comprehensive plan, and conduct an annual review of the effectiveness of the school-wide program that is revised as needed.

Parent Involvement

Parents in Title I schools have the right to:

- be a part of developing a written parent involvement policy.
- be involved in the planning and implementation of the parent involvement program in their school.
- receive materials and training to foster greater parent involvement.
- know the qualifications of their child's teacher and paraprofessional
